Workshop Objectives

The objectives of the 10th Annual ROMP Spring Workshop are as follows:

-  provide educational tools for preceptor development
-  provide a forum for the exchange of information among the ROMP Stakeholders
-  inform attendees about current issues pertaining to health care education
-  consider alternate futures for the Rural Ontario Medical Program

Annual Awards

Each year, certain individuals are recognized for their outstanding efforts. There are awards presented to **preceptors** of undergraduate medical learners and to preceptors of postgraduate medical learners. Also presented are awards for excellence for a community based **Education Coordinator** and for a **University Coordinator**. These individuals are selected by ROMP staff based on learner feedback and returned evaluations.

The **Larkin Health Professional Education Award** is given to an individual (a physician, health practitioner, education coordinator, learner, or community member) to recognize their outstanding commitment and dedication to community-based health professional education and/or the promotion of the health professions within Ontario's rural and smaller urban communities as a career.

We are proud to present **L-Gen The Honorable Romeo Dallaire, (Ret'd)** as our keynote speaker. Dallaire is a Canadian senator, humanitarian, author and retired general. His dedication and outstanding contributions have been recognized nationally and internationally.

Workshop Location

The 10th Annual ROMP Spring Workshop will be held at **Kingbridge Centre**, in **King City**. For hotel reservations, please call **1-800-827-7221** and identify that you are a participant of the ROMP conference.

Visit their website for more information on the hotel and its amenities: www.kingbridgecentre.com

Freedom of Information

The data collected by the Rural Ontario Medical Program during, and in preparation for, the Annual Spring Workshop is for the sole purpose of the Workshop and is not used for any other purpose.

Experience

ACCREDITATION

As an organization accredited to sponsor Continuing Medical Education for Physicians, by both the Committee on Accreditation of Canadian Medical Schools and the Accreditation Council for Continuing Medical Education of the United States, Continuing Health Sciences Education, McMaster University designates this educational program as meeting the criteria for:

The College of Family Physicians of Canada MAINPRO-M1

This educational program meets the accreditation criteria of The College of Family Physicians of Canada and has been accredited for **6 hour** credits for participants.

The Royal College of Physicians and Surgeons of Canada

This educational program is approved as an Accredited Group Learning Activity under Section 1 of the Framework of CPD options for the Maintenance of Certification Program of The Royal College of Physicians and Surgeons of Canada, for a maximum of **6 credits per participant**. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

American Medical Association PRA Category 1

This educational program is designated for a maximum of **6 credits** for participants in Category 1 credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
